

HUAWEI

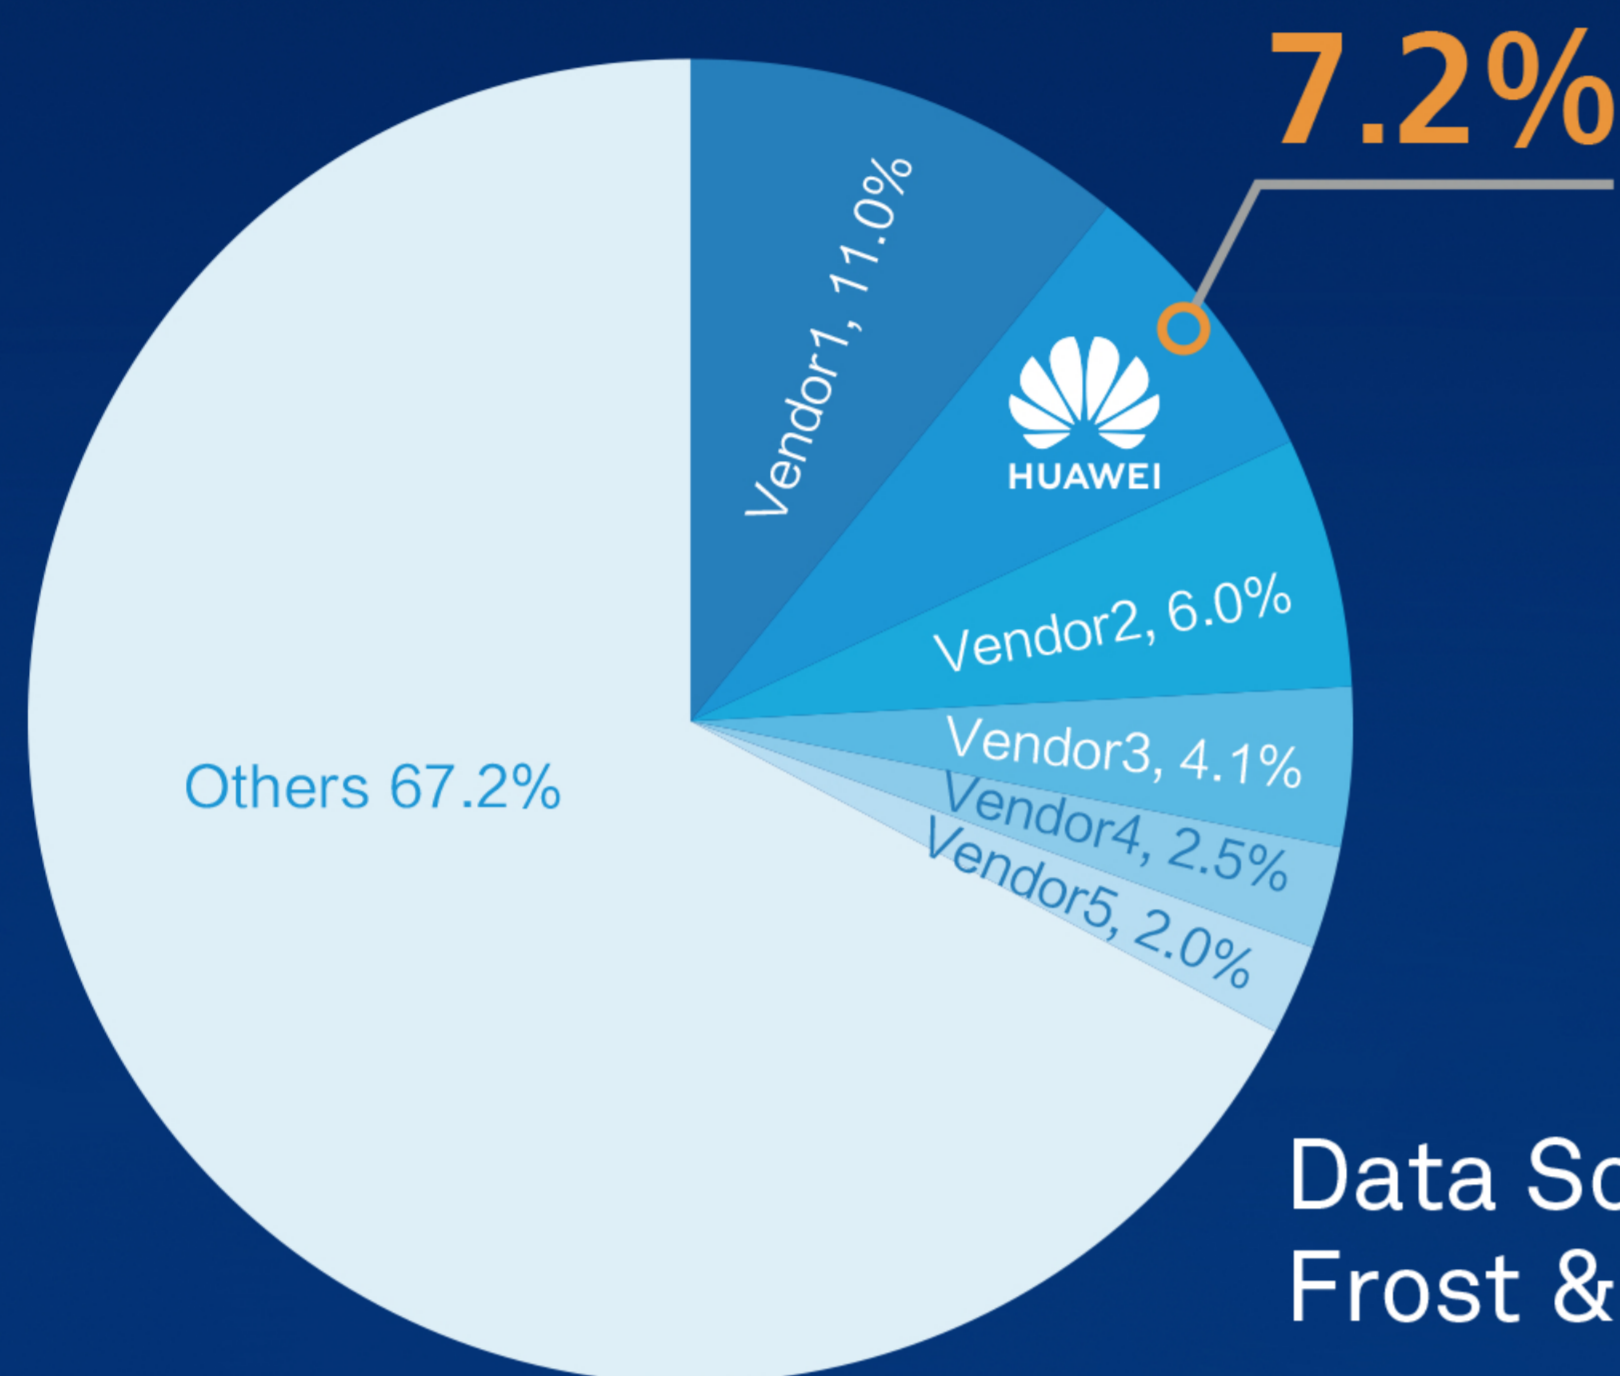

Power ICT in a Smart Way

HUAWEI Data Center Solution

Huawei, the Data Center Market Share Leader

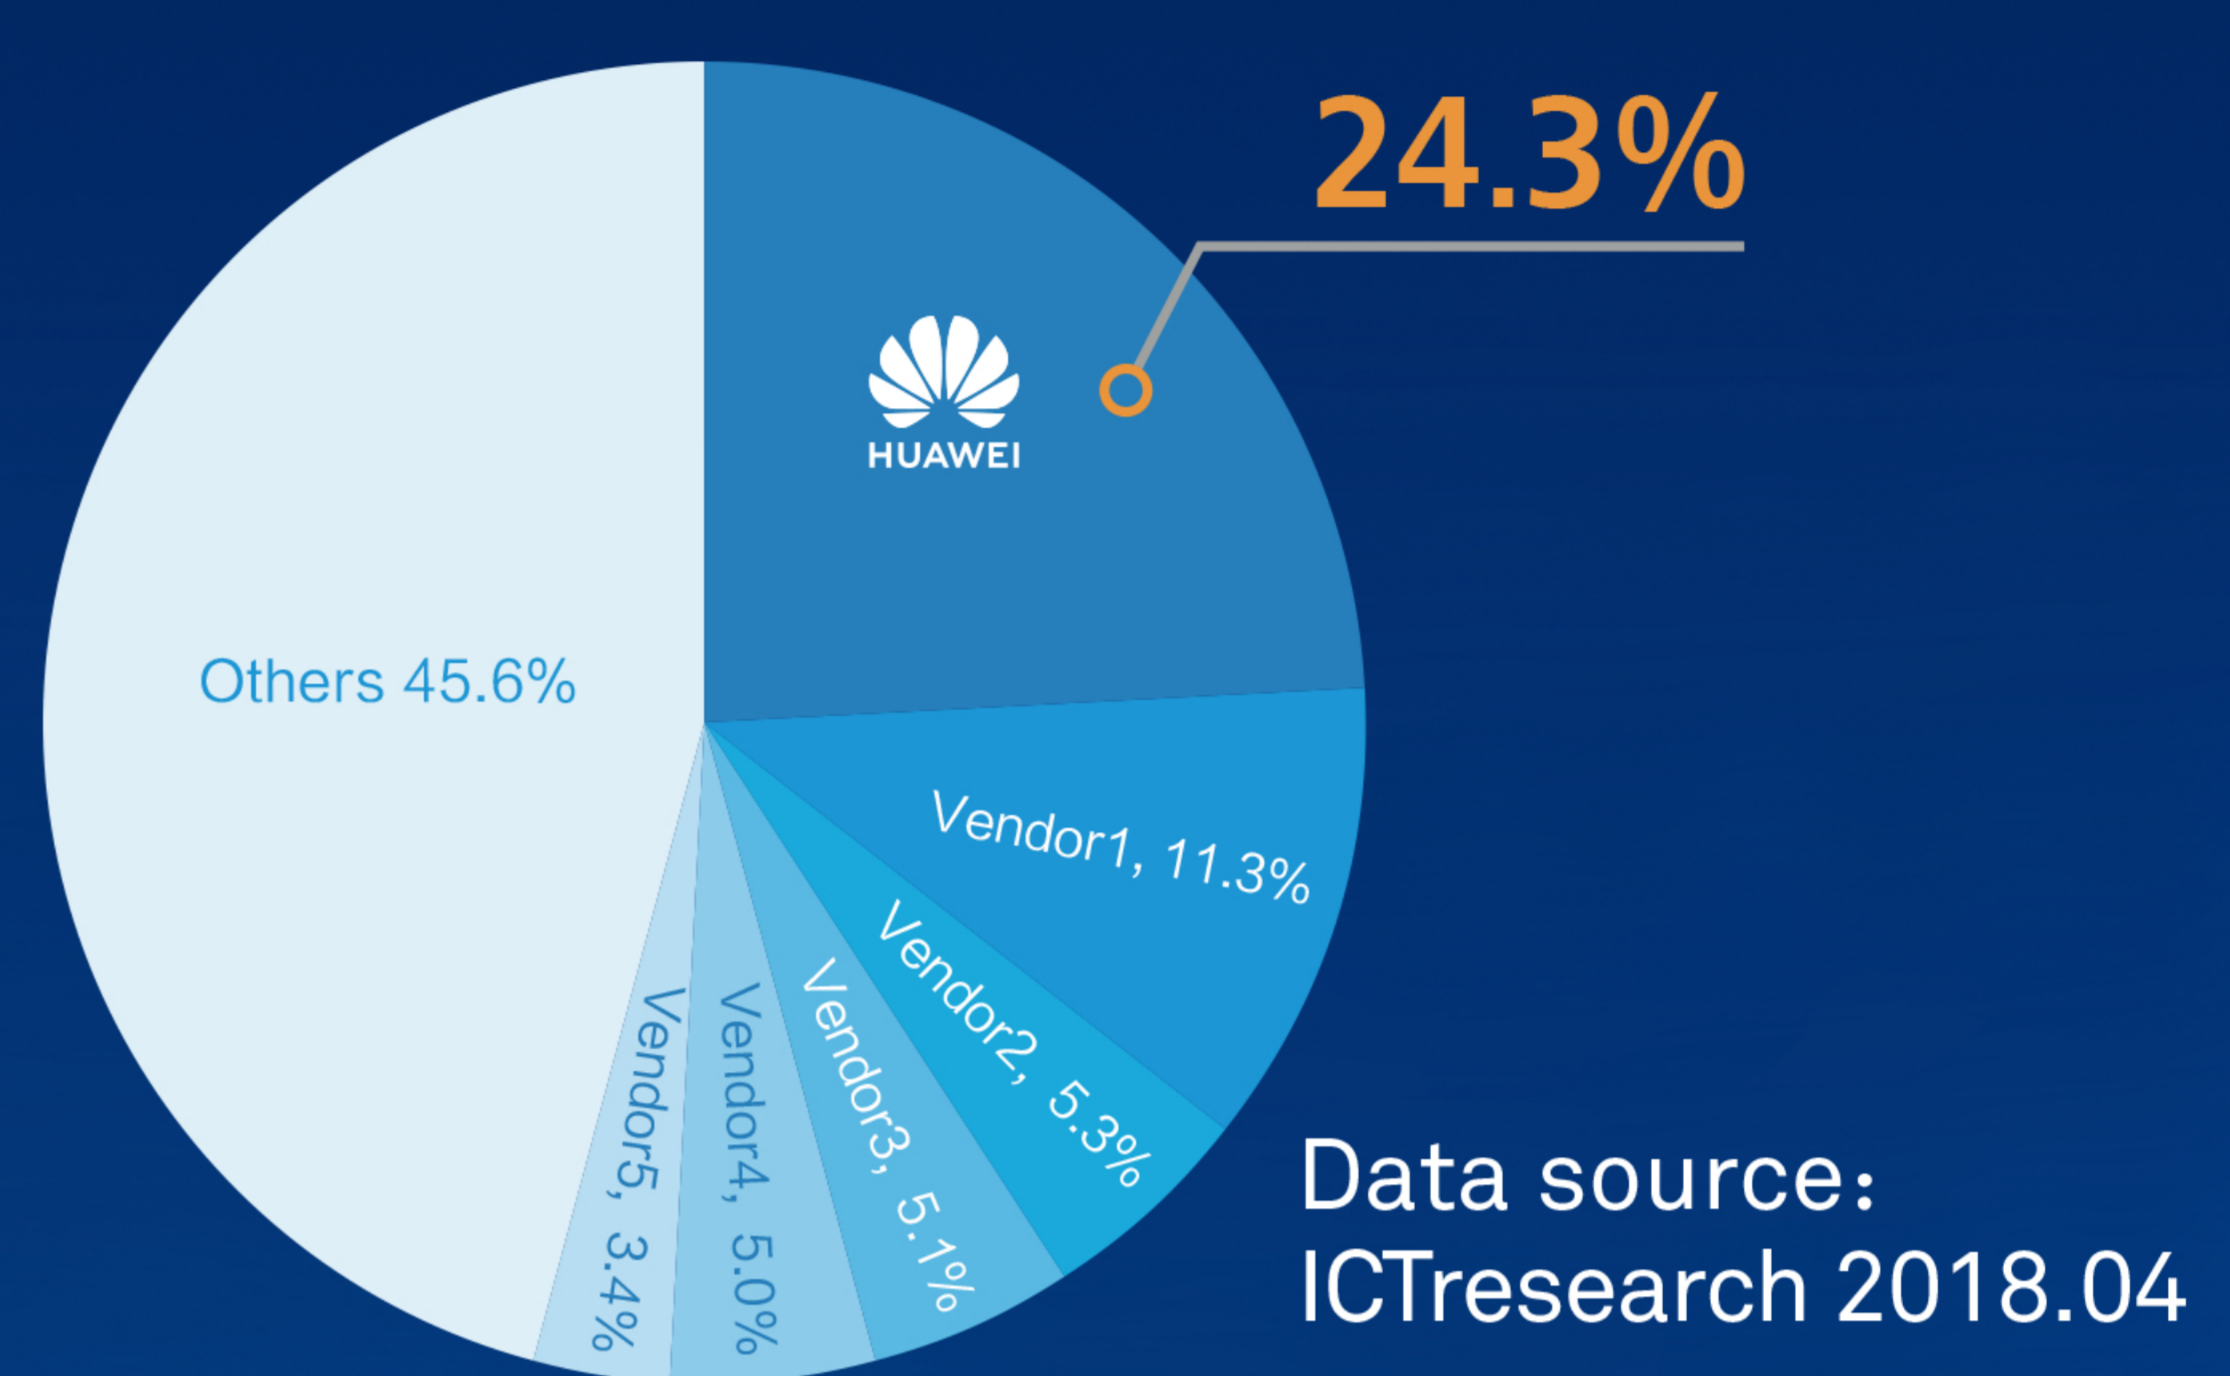

No.2

Global modular data center market share leader in 2016

No.1

2017 market share leader for Modular Datacenter in China

Smart DC Facility, the Cutting-edge Solutions

- Modular architecture, fast TTM and flexible deployment
- Green solutions, with high efficiency UPS (97.1%) & cooling, smart energy management
- Smart O&M, industry-leading O&M efficiency & ultra-reliability

Modular Solutions, the Full Scene Covering

FusionModule500
Mini modular DC

1-2 ICT cabinets
≤3kW

FusionModule800
Small modular DC

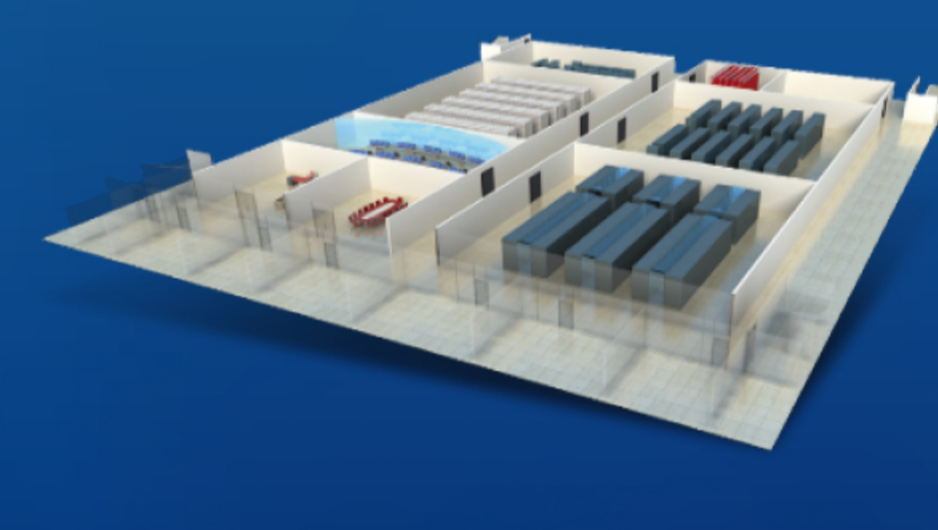

1-8 IT cabinets
3-15kW

FusionModule2000
Medium & small modular DC

2-48 IT cabinets
≤235kW

FusionModule5000
Medium & large modular DC

2-48 IT cabinets
≤310kW

Global Cases, the Most Telling Witness

830+ DCs, 420+ Cloud DCs, to be continued...
